

# Metastatic Breast Cancer Series on Susan G. Komen®'s Real Pink Podcast

Susan G. Komen's "Real Pink" program is a weekly podcast series that brings people together to have meaningful conversations about breast cancer. At Real Pink, we tackle tough, emotional, or life-changing issues and topics.

Every day during the **WEEK OF OCTOBER 14-18**, each episode will be focused on the journey of those living with metastatic breast cancer.

| RELEASE  | GUEST                | TOPIC                                   |
